Importance: High

Kevin - I've just been advised that one of our team can't make a call on Thursday. Would you be able to suggest a time on Friday, or next Monday, when we could try to clarify a couple of points raised in your comments?

This Thursday, 9A PDT/10A MDT/noon EDT works for us.

I'll offer my dial in: 888-651-5908, #175-3505

Thanks.

See attached document.

We should set up a conference call with the EPA and FMC teams to discuss. I would suggest 9:00 next Thursday which is our normal team call.
